IMPORTANT NOTICE - Postponement of public consultation on the Place des Marronniers residential development project

We wish to inform the population concerned that the public consultation initially scheduled for **July 23, 2025** concerning the **Place des Marronniers** residential development project **has been postponed to a later date.**

This postponement is necessary because certain data essential to a complete and transparent presentation of the project are not yet up to date. We want all the relevant information to be available so that the public can ask informed questions and participate fully in the process.

As soon as a new date has been set, it will be communicated by **e-mail, Facebook** and **post.**

Thank you for your understanding and interest in this major project.
